In the first instance the student will be required to check their Student Written Agreement to ensure that they are eligible for a refund. If they do not have a copy, they will be required to contact Australian International Institute of Technology or their agent and ask for a copy.

After reading their Agreement, if they still believe that they are entitled to a refund, they should contact Australian International Institute of Technology in writing seeking a refund.

If a student is not satisfied with the outcome of the Australian International Institute of Technology's refund decision, they can contact TPS.
